Olbas[®]
inhaler

NASAL STICK

Immediate relief
for stuffy noses

Olbas[®] inhaler

NASAL STICK
The pure plant remedy for symptomatic relief of coughs, colds and catarrh.

Olbas Inhaler contains essential oils which have decongestant properties.

Before you use Olbas Inhaler
Do not use if you are allergic to any of the ingredients.

How to use Olbas Inhaler
Adults and children aged 7 and over: Unscrew outer cover from stick, close one nostril, place inhaler in other nostril, and inhale deeply. After use, wipe stick with a tissue and replace cover. Not recommended for children under 7 years old. Do not use more than 4 times an hour. If symptoms persist, talk to your doctor.

Possible side effects
Like all medicines, Olbas Inhaler can cause side effects although not everybody gets them. If you notice any side effect, please tell your doctor or pharmacist.

How to store Olbas Inhaler
Keep out of the reach and sight of children. Do not use after the expiry date below. Do not store above 25°C. Keep the container tightly closed.
