beeswax, microcrystalline
wax, sodium benzoate,
linalyl acetate, propylene
glycol, citric acid,
butylated hydroxyanisole,
sorbitan sesquioleate,
lavender fragrance.

Warnings: Do not use if allergic to any of the ingredients. Keep out of the eyes, nose and mouth. If symptoms persist or if accidentally swallowed seek medical help. Do not smoke or go near naked flames - risk of severe burns. Fabric (clothing, bedding, dressings etc) that has been in contact with this product burns more easily and is a serious fire hazard. Washing clothing and bedding may reduce product build-up but not totally remove it. Sodium benzoate may cause local irritation and may increase jaundice (yellowing of the skin and eyes) in newborn babies (up to 4 weeks old). **Side effects:** Occasionally local irritation occurs. If this happens seek medical help. **Reporting of side effects:** If you get any side effects talk to your doctor or pharmacist. You can report side effects via the Yellow Card Scheme at www.mhra.gov.uk/yellowcard or search for MHRA Yellow Card in the Google Play or Apple App Store. This helps to provide information on the safety of this medicine.
